2024 TELLER COUNTY FAIR GENERAL INFORMATION

EXHIBITING INFORMATION:

4-H Division is limited to Teller County 4-H members only. Open Class is for anyone no matter the county of residence.

All 4-H Livestock and animals (horse, beef, dairy, dog, poultry, sheep, swine, goats, llamas, and rabbits) must be in place by 1:00 p.m., July 30th, and must have a vet check. **No entries will be accepted after this time.** Teller County Association of Fairs and Shows (TCAFAS) will use diligence to ensure the safety of exhibits after arrival and placement, but in no case will they be responsible for any loss or damage done to, occasioned by, or arising from, any animal or article on exhibit, and the exhibitors shall exempt TCAFAS against all legal or other proceedings in regard thereto. Every animal or article entered for the competition shall be under the control of the superintendent in the department in which it is entered. All items entered for judging will be displayed in a manner decided by the exhibit committee.

4-H RECORD BOOK REQUIREMENTS:

All record books must be complete and score higher than 70% for each project (indoor, animal, and livestock) to be eligible to retake the project the following year. If the 4Her does not meet these requirements they must take a year off from that project for lack of completion.

Record books of all livestock and animals (horse, beef, dairy, dog, poultry, sheep, swine, goats, llamas, and rabbits) will have preliminary and final submission due dates. Preliminary record book (up-to-date) submissions will be due on or before the Fair clean-up day and will be available for pick up at the fair office between the start of the fair and vet check. Designated TCAFAS board members must review record books before contestants receive exhibitor number and stall assignments. **You must have one record book per species. Final record book submission is due in the Extension Office or designated location by 4:00 p.m. on the last Friday of August for final judging. You must score at least 70% to “complete” the project and be able to take it again in the next 4-H year. If you score below 70%, you will also forfeit any awards/belt buckles/etc. for that species and the 4-Her with the next highest ranking will receive the award/buckle/etc. If the lower than 70% score results in not completing any project (including indoor projects) the 4Her will be required to take the next year off from 4-H for lack of completing at least one project.**

Exception: The first year a 4-Her takes any livestock/animal project and score below 70% on their record books, they are allowed to bring that score up to at least 70% by a designated date/time. This is ONLY available the first time a member takes any livestock/animal project.

ADDITIONAL REQUIREMENTS:

Exhibitors are required to attend the fair and care for their exhibits. LIVESTOCK EXHIBITORS are also required to be on hand at the time of judging to see that their exhibits are placed before the judge. Extenuating circumstances will be taken under consideration by the TCAFAS Executive Board.

ALL LIVESTOCK BARNS will be secured for the night at 9 PM. NO ONE will be allowed in the barns after this time except for emergencies a TCAFAS board member or designated superintendent. Barn opening times will be posted.

TCAFAS reserves the right to exclude from the grounds any person or persons who they deem undesirable or expel from the grounds any person or persons who shall violate any of these rules. Only TCAFAS members will be allowed in the office during the fair (the back office is reserved for TCAFAS members).

All exhibitors must stay with their exhibits until they are properly registered and acknowledged by the superintendent. Only 4-H members with projects on exhibit at the fair, vendors, and fair personnel with approval from TCAFAS will be allowed to stay overnight. These persons must be registered at the TCAFAS office. **No one will be allowed to stay overnight without the presence of a parent or legal guardian over the age of 21. Any acting legal guardian must be registered in the TCAFAS office with signed legal permission of the parent.** (Refer to Camping Rules)

A new class may be made for livestock or articles of two or more entries where no class exists. Classes may also be combined at the discretion of the TCAFAS or superintendent. Any article on exhibit may be priced to sell after the judging. All Indoor exhibits/entries must have been completed since the last Teller County Fair. Any article sold may not be released until 5:00 p.m. last Sunday of the fair. Open Class premiums will be paid on the last Sunday of the fair, during posted checkout. Any Open Class premiums not picked up by 3:00 p.m. on the last Sunday will be added to the next fair.

NO 4-H indoor exhibits will be released before 5:00 P.M. on the last Sunday of the fair. No market livestock will be released prior to the loading of livestock going for slaughter on Monday. All non-market animals will be released after 3:00 p.m. on the last Sunday of the fair unless prior authorization from the TCAFAS Board. 4-H INDOOR INTERVIEW JUDGING

All 4-H indoor projects will be judged by interview (in person, video, or zoom) on the first Monday of the fair. Only those members who have submitted an Indoor Entry Form by the date/time designated by the 4H extension, with their time preferences taken into consideration will be able to interview. Late entries will not be accepted in the Extension Office and interview scheduling will be subject to available slots only. After the designated date, projects could be entered in Open Class to meet exhibit completion requirements but will not be eligible for any 4-H awards.

Members who cannot be in attendance for interview judging may arrange a video interview using a YouTube link, or live via Zoom, with the Extension Office. Members may elect to have their project exhibit & record books judged without an interview. Projects judged without an interview are not eligible for the Unit Champion.

Interview judging will start at the designated time and date provided by the extension office. Please report 15 minutes before your scheduled interview and wear appropriate interview clothing. Interview judging is closed to the public. Interview sessions are private and involve only the member, the judge, and the superintendent who is there to assist the judge. The 4-H Project Record must be complete and must accompany the exhibit for the project to be considered whole. Incomplete exhibits will not be eligible for any placing ribbons.

The 4-H Indoor Exhibits & Record Books should match the member's enrollment record in 4-H Online. Projects that fit another unit(s) may be transferred for consideration in the proper unit at the discretion of the Extension Agent and the judge. Cloverbud 4-H exhibits will be displayed with the option of judging and will each receive a Cloverbud Participation Rosette. Public exhibit is required for Cloverbud completion. Cloverbud 4-H members MAY NOT show any kind of animal.

4-H OVERALL INDOOR HIGH POINT AWARD:

To be eligible for this award, the 4-H member must exhibit in at least two indoor project areas. This award will be presented at the 4-H Awards Banquet.

Overall Indoor High Point Awards will be awarded in the following manner:

1st Place =	6 points x number in class
2nd Place =	4 points x number in class
3rd Place =	3 points x number in class
4th Place =	2 points x number in class
5th Place =	1 point x number in class

THE DANISH OR GROUP SYSTEM OF PLACING USED IN 4-H:

In recent years, 4-H exhibits in Colorado have been judged and placed using the Danish, or group system. The Group system means that all exhibitors get a ribbon; the color is based on the quality of the exhibit. It is possible for all the exhibits in a class to receive a blue, red, or white award based on quality as the judge sees it. In Teller County, the Danish system is used with the following variations:

1. A Champion and Reserve Champion Award will be provided in all 4-H projects unless stated otherwise. A second-place blue is not eligible for the state fair, even if it is the top award for that project. All awards and ribbons are awarded at the judge's discretion.
2. First thru Sixth place exhibits are chosen in each unit of project work, as long as they receive a blue or red award. The highest placing a red award can receive is 3rd and white awards do not receive a placing and are not eligible for premiums.
3. State Fair exhibits: The first-place project in each eligible **Unit** is selected in family/consumer sciences, natural resources, and miscellaneous 4-H projects. This exhibit must be a first blue award quality to be eligible for state competition.
4. Horse, dog, poultry, and livestock classes will be awarded ribbons through 6th place for shows.
5. Rabbit and Cavy will be awarded according to ARBA rules.

LIVESTOCK AND ANIMAL INFORMATION

*****There must be a minimum of two exhibitors in a category to determine Grand and Reserve Grand Champions (e.g. market swine, breeding beef, and Jr. Western Horse)

Livestock, poultry, dog, horse, and rabbit exhibitors must submit online entry forms by noon on designated extension deadline. Make checks payable to "Teller County Extension Fund." **All fees are non-refundable.**

1. All animal stalls must be bedded with the material of the exhibitor's choice. ALL stalls will be assigned by TCAFAS.
2. All 4-Hers must be enrolled in a Teller County 4-H Club.
3. 4-Hers who enroll in a market livestock project will sign a statement indicating their understanding and compliance with the Wholesome Meat Act to protect the integrity of the food chain. These statements must be signed by the 4-Her and parent before the fair weigh-in. These forms will be provided at weigh-in by TCAFAS.
 - a. Compliance with all Colorado laws prohibiting tampering with or drugging of livestock and/or sale of adulterated meat is mandatory for any 4-H member and/or family member enrolled in a 4-H livestock project. If there is evidence of physical alternation of a project animal to fraudulently misrepresent that animal, illegal drug residue in an animal, or violation of the 4-H Code of Conduct, a member may be classified as a "member not in good standing." If classified as a "member not in good standing" the member can be prohibited from exhibiting livestock or participating in out-of-county 4-H activities for up to one year.
4. The owner of the livestock project MUST show the animal in all classes. No 4-H'er may show an animal that they do not own except when:
 - a) The 4-H owner has more than one animal in the same class.
 - b) The 4-H owner cannot show due to a medical disability.
 - c) If a or b above apply, the animal must be shown by a Teller County 4-H member.
5. Members must be enrolled in the project by the following deadlines:
 - December 31-Market Beef (must be weighed and tagged as designated by TCAFAS).
 - March 15-Must be enrolled in Dairy Goat, Breeding Beef, Dairy Beef, Dog, Breeding Sheep, Market Sheep, Market Swine (Market Sheep and Market Swine must be weighed and tagged in May)
 - May 1-Must own and have in possession Breeding Sheep, Dairy Goats, Market Sheep, Market Swine, Market Goat, Pygmy Goat, Dogs, and Horse.
 - Horse and Dog identification must be entered in www.4honline.com no later than May 1st.
 - June 1-Must own and have poultry in possession.
 - Rabbits
 - (1) Rabbits must be owned by the exhibitor 60 days before the vet check day.
 - (2) Breeding doe(s) must be owned 100 days before vet check day.
 - (3) Market rabbits must be owned 21 days before vet check.

- (4) Meat pens, single fryers, litter pens, and junior rabbits born after the ID/ownership deadline may only be exhibited if the doe is owned, bred, and formally Identified by the 4-H member. The exception to this is if the exhibitor is a first-time market rabbit participant, who is allowed to purchase their meat rabbits.
6. All male market animals (excluding rabbits) must be neutered by first weigh-in for that species (testicles removed by castration or banding).
 7. All market animals shown at the fair must be tagged by TCAFAS. Rabbits must be permanently tattooed in the left ear.
 8. Animals for State Fair must be designated at the fair weigh-in and may be shown as exhibition only (cannot compete for placings in the competitions but may be used for showmanship purposes) and will not be in the TCAFAS Auction.
 9. All 4-H market livestock will be weighed in on the designated date and time by TCAFAS Board. **No animal will go on the scale until the 4-H member is present.** Extenuating circumstances must be cleared with the TCAFAS Executive Board at animal check-in. All ear tags must be clean at the scale. **Re-weigh policy: If a 4-H member questions the weight of a market animal, it will be removed from the scale, the weigh master will balance the scale and the animal will be re-weighed immediately. The 4-H member must request the re-weigh. The animal may not leave the immediate weigh-in area. No food or water may be given to the animal prior to the re-weigh. If an animal does not make weight, it is not eligible for the carcass contest, the livestock auction, or overall animal awards.**
 10. Each exhibitor of the project animals must exercise due discretion concerning animals they are exhibiting whether in the ring, stall, or pen, and must assume all responsibility for any damage caused by their animal. They must exhibit and parade their animals in the ring provided for that purpose. No animals shall be decorated with unnecessary items during the judging and auction. All animals must be fitted for the show according to their breed standards.
 11. All exhibitors must be properly attired for the class in which they show.
 12. From the time of the Vet check-in until the fair is concluded, only 4-H members should groom and fit their animals. Their parents or Teller County 4-H project leaders may assist them. Any exhibitor violating the rule or any part thereof may be excluded from competition.
 13. Only animals **that make weight** and are shown in the live show can be judged in the carcass contest. This will be limited to 2 paid entries per species per exhibitor and must be indicated in writing to TCAFAS Executive Board no later than one hour post weigh-in.
 14. TCAFAS endorses and supports the USDA Wholesome Meat Act and insists exhibitors are in compliance. Exhibitors of all market animal entries must certify their compliance with the manufacturer's pre-market withdrawal periods specified for any and all medications, drugs, and pesticides or feed additives administered. The use of any non-approved chemical or improper use of approved chemicals is strictly prohibited. Certification will be required upon arrival or weigh-in at the fair. The TCAFAS reserves the right to screen or test any market animal for drug residues of any nature and take

any action deemed appropriate if testing results show any positive residues above naturally occurring levels.

15. Members may lock rabbit and poultry cages if they choose, but a key/combination code must be left with the barn superintendent or hidden in a spot in the barn with the barn superintendent's knowledge. Rabbits and poultry must remain in cages except during the judging. Show officials may, at their discretion, pull an exhibitor and/or animal from a class and/or the show if, in the opinion of the management, there is a safety concern or if the animal appears to be ill or out of control.
16. Pictures will be taken immediately after the respective shows. Please check with the Superintendent for location and time changes. Exhibitors need to dress in appropriate clothing as required for the show for pictures.
17. BARN DUTY: All exhibitors will be required to work a maintenance shift in the exhibited species barn during the Fair. They are also responsible for keeping the walkways clear and presentable to the public. Additionally, they will answer questions from visitors. Please see the superintendent to sign up. We also encourage you to keep the fairgrounds clean to make the fair a nice experience for those who visit.
18. BARN BEHAVIOR:
 - a. NO smoking will be allowed in the Livestock Barns.
 - b. NO pets will be allowed in the Livestock Barns. Only certified service animals will be allowed.
 - c. NO scooters, roller skates, roller blades, skateboards, bicycles, or motorized scooters will be allowed in the Livestock Barn except for equipment for the handicapped.
 - d. NO firecrackers of any kind or toys that are loud in nature will be allowed in the Livestock Barn.
 - e. NO horseplay or rowdy behavior will be allowed in the Livestock Barn.

EXTENUATING CIRCUMSTANCES:

Extenuating Circumstances refers to a situation or situations beyond your control that have the potential to severely or negatively affect your performance or participation. This could be:

- A sudden illness or injury (animal or member) that prevents you from fulfilling your obligation or meeting a requirement.
- A serious illness, injury, or death of a family member that prevents your ability to meet a requirement.
- A detrimental personal issue such as custody/visitation arrangements.

If you feel that you cannot meet a fair requirement due to extenuating circumstance circumstances, you will need to provide a written request to TCAFAS for consideration, prior to the event. Please include pertinent information you would like TCAFAS to consider to relieve you of the obligation and offer possible alternative actions you are willing to complete in lieu of the requirement. TCAFAS will only consider remedies after the fact in extreme emergent events.

UNITED STATES DEPARTMENT OF AGRICULTURE

WHOLESOME MEAT ACT

The United States Department of Agriculture Wholesome Meat Act applies to the sale of market livestock sold during the Teller County Fair as follows:

1. Animals must be in good health and carcasses free of drug or chemical residues.
2. Antibiotics and sulfonamides have met the required withdrawal periods.
3. Drug label directions for use and withdrawal periods.
4. If drug or other chemical residues are found in the tissue of carcasses, the entire carcass may be condemned. If drug or other chemical residues are found in the tissue of carcasses of animals sold through sales connected with the TCAFAS, said show will in no way be liable or responsible for the condition of the carcass of the sale price of the animal. The exhibitor forfeits all rights to the sale price. Before administering antibiotics and/or sulfonamide, consult a licensed practicing veterinarian; or label directions of the drug.

LIVESTOCK SALE INFORMATION

4-H Market Livestock Sale will be on Friday following buyers' dinner. Grand and Reserve Champions of all classes will be sold first with the remaining animals presented according to placement in their class. GRAND/RESERVE CHAMPION AND THIRD/FOURTH PLACE MUST BE PRESENTED FOR SALE AT THE 4-H MARKET LIVESTOCK SALE.

Each exhibitor is limited to selling one (1) of each species at the livestock auction unless an exhibitor has the Grand and Reserve Champion in the same species. Each exhibitor may show two (2) animals (excluding rabbits) of each species during judging. The highest-placing animal is automatically designated for the Sale. If a member has the same animal that placed the same in two classes, they will have a choice of which animal to sell, UNLESS THE ANIMAL HAS BEEN MOVED TO GRAND OR RESERVE DESIGNATION. They must notify the TCAFAS Executive Board in writing within 60 minutes of the end of the show. All sales are final during this auction, this is not a NO-SALE Auction.

Upon the discretion of TCAFAS, feeder and/or second animals may be sold outside the auction platform and will be an agreement between the seller and buyer without recourse to TCAFAS or Extension offices.

Buyers may choose to participate in a "buy back" of the animal they purchase. In that case, the animal is sold back to a member of the public who has put their name on the buy-back list with the fair board (based on first come first served) for a particular species, at the current market price (average of current state auctions). The auction winner will pay the difference between what they bid on the animal minus the market price. All funds will go to the youth.

There have been questions in the past regarding what the fair board takes from each sale. The TCAFAS is one of the only sales that does not take any money from each sale. They believe the kids deserve every dollar that is bid. Again, this is rare in livestock auctions.

SHOWMANSHIP CLASSES

1. All showmanship classes will be divided into Junior (ages 8-10), intermediate (11-13), and senior (ages 14-18), using the contestant's age as of Dec 31st of the previous year. Exhibitors will wear entry numbers. The judges will select one champion Jr., Int., and Sr. Showman from goat, sheep, swine, beef, horse, rabbit, and poultry. These champions will then compete in the Round Robin Contest.
2. If you choose not to participate in Round Robin you will forfeit ribbons, placings, premiums, and they will be given to the exhibitor that placed next (Accommodations will implemented as needed, i.e. allergies, ADA, etc).

ROUND ROBIN MASTER SHOWMANSHIP

1. The top Junior, Intermediate, and Senior Showmen in the Beef, Swine, Goat, Sheep, Horse, Rabbit, and Poultry Divisions will compete in a rotation contest for Teller County Master Junior, Int., and Senior Showmanship honors.
2. 4H'ers may qualify in only one species.

- a. In the event, that there is not a showman for a division, that division will be removed from the contest.
 - b. **Should a 4H'er win showmanship in more than one division, they may choose which division they will use as their own/home animal, providing there is an alternate showman in the non-chosen division. This alternate will then be eligible to compete in Round Robin.**
 - c. Should a 4H'er win showmanship in more than one division and there is not a runner-up in either division, both animals will be used in competition, but the 4H'er will designate which animal will be their own. The non-designated species will be used in competition but will not be scored on grooming.
 - d. Division designations will be submitted in writing to TCAFAS Executive Board within 30 minutes of the conclusion of the Market Beef show.
3. The Round Robin will be held as designated by TCAFAS Board following the Market Beef show.
 4. Each contestant will receive a grooming score on his or her own/home animal. Animals are expected to be properly groomed for the show.
 5. **A test will be given prior to the fair that will be part of the scoring to determine the placing of contestants in Round Robin.**
 - a. Rabbit and Poultry are not in the State competition, in the event a Rabbit or Poultry 4H'er receives Master Showman they will compete at the State level but will not show Rabbit or Poultry.

ALL-AROUND ANIMAL SPECIES AWARD

The All-Around Champion Animal will be determined by scores received on:

	Market	Non-Market
1. Live placing -	20 %	25%
2. Carcass placing -	20 %	0%
3. Record book score -	20 %	25%
4. Herdsmanship -	20 %	25%
5. Showmanship -	20 %	25%

Each category will be calculated on a balanced scale where every highest score is 100% and percentages down from there according to the difference in numbers. The Junior, Intermediate, and Senior 4H'er and/or his/her animal must compete in all areas to be eligible for the All-Around award. The 4H'er with the highest point total will be the All-Around Champion. In the event of a tie, the portion of the round-robin test that is specific to that species will be used to break a tie.

CARCASS CONTEST

All market beef, swine, sheep, goat, rabbit, and poultry will be judged by hanging carcass. All species must have two or more animals in the carcass contest to qualify to compete. Contest date and location TBA.

HERDSMANSHIP CONTEST

Judging will take place between 8-10 AM and between 6-8 PM. The judges will be secret. Judging will be based on the cleanliness of the pen, adequate bedding, adequate food and water, stall decorations present, stall card filled out and displayed knowledge of the animal, alleyway in front of the pen clean, tack stall clean and neat, and 4H Code of Conduct. If a 4H'er is caught not following the 4H Code of Conduct, it will potentially affect their herdsman score.

- Conduct themselves in a courteous, respectful manner, use appropriate language, exhibit good sportsmanship, and act as positive role models.

Behavior outside of 4-H activities can affect member in good standing or volunteer in good standing status.

It is the responsibility of all program participants to reinforce the code of conduct and to report any violations or concerns to 4-H leadership.

There will be a form on each stall or designated area that will be updated daily. Green will be "excellent," yellow will be "good", and red will be "needs improvement". At the end of the fair, the judges will tally scores along with conduct in general and determine the herdsman for each species, and for Junior, Intermediate, and Senior categories.

Proof of current dog licensing and vaccination of the dog for rabies and parvo virus must be provided with entry form. Dogs must be kept on a leash at all times during the Fair. Failure to comply could result in a disqualification. All exercises will be judged following the latest A.K.C. obedience guidelines whenever possible. Registry of dog with A.K.C. is not required.

GENERAL CONTEST RULES

The Dog Trials will be held as noted on the current years Fair Event Schedule. The Showmanship Test will ONLY be held before showmanship classes start.

1. County Fair 4-H Dog Show officials and/or staff can and will dismiss any entrant or his/her family from the show for any mistreatment of dogs entered in this show. If a question should arise as to what constitutes "mistreatment," State 4-H staff and/or officials will meet to decide appropriate action in each case.
2. Any negative behavior on the part of the exhibitor, family members or leaders directed toward any official will result in disqualification and awards forfeited. If there is a question as to the rules or the judging of a class, adult family members or leaders must approach the Superintendent of that division and **not the judge**. The Superintendents will then take the question to the judge if warranted.
3. Dogs which are deemed to be a danger to people or other dogs can and will be removed from the show grounds and all classes forfeited. This will be determined by a consensus of the Superintendents.
4. All entrants will be responsible for clean-up after their dogs. Failure to do so can be a basis for dismissal from the County Fair 4-H Dog Show and/or forfeiture of any placing.
5. Show management will have final decision authority. If needed, show management may request assistance with arbitration from a committee comprised of the show superintendents, the judge (if willing), and the leader and/or agent from the county involved. THE CONFLICT RESOLUTION APPEAL PROCESS WILL APPLY.
6. Dogs must be on a leash at all times, except when performing exercises off-leash in the show ring.
7. If a dog has failed an exercise, it will not ordinarily be re-judged unless the judge feels the dog's performance was prejudiced by peculiar and unusual conditions. In such a case, the judge may wish to re-judge the dog only on the portion of the exercise in which the unusual condition occurred.

EXHIBITOR ELIGIBILITY RULES

1. Member must be enrolled in the 4-H Dog Project.

2. The member must own his/her project dog individually or in partnership with immediate family members or guardians during the complete duration of the project year. The member must provide the majority of care for the dog(s).

A County Fair approved veterinarian or qualified veterinarian technician's decision on doubtful cases will be accepted as final.
3. No dog other than the county-qualified dog will be eligible to show or compete at State Fair. Should any problem arise with the dog designated as the county-qualified dog, the Extension agent must be notified for any course of action.
4. If the County qualified dog in Showmanship is injured or in season, a replacement may be used at the approval of the County Superintendent. The replacement dog must fulfill all of the "dog eligibility requirements", must be carried in the member's record book, and must have a health certificate on file with the county office. If requested, the health certificate must accompany the dog to the County Dog Trial and be presented to the General Superintendent. GENERAL TIPS FOR SHOWMANSHIP

1. A brush, comb and a drool rag will be allowed in the ring. No other equipment is permitted.
2. Depending on what you are wearing in the showmanship ring, use proper kneeling etiquette. If you are in a skirt, it is best to kneel on both knees. If you are wearing pants, it would be appropriate to kneel on only one knee.
3. Members with smaller breeds will be expected to show their dogs on a table. Judges will take into consideration the size and physical abilities of the handler. A list of most of the table breeds can be found in the project manual. A more complete list is available on the American Kennel Club website at www.akc.org.
4. If the member is showing a mixed-breed dog; they should determine what breed their dog most resembles, and show in the manner of that breed. If you have a mixed breed dog, you can go to AKC website and look at different pictures of the breeds of dog to decide which breed your dog looks most like or refer to the 4-H Dog Manual.

5. No dog tags should be on the dog when showing in the ring. Only the correct equipment for a showmanship class should be used. It is very important that your dog wear tags at all times, except when in the show ring.
6. The format for showmanship scoresheet can be found on the Colorado 4-H website at: http://www.colorado4h.org/events_opportunities/state_fair/score_sheets/DogShow_manshipScoreSheet.pdf

A Qualifying Score will be 170 points out of the possible 200 points. Please note: During the Showmanship class each area of judging will be judged throughout the entire class. The score will reflect the member's ability to perform these items throughout the class, and not just one time. For example: the dog should be stacked (either hand stacked or free stacked) upon entering the ring, during the exam, after the pattern, and any time they are in the line-up. The "set-up" score will reflect all of these times when the dog is stacked.

OBEDIENCE

1. All 4-H obedience classes will be patterned after the latest AKC obedience guidelines whenever possible, except that dog registry with AKC is not required. Some exercises and rules may have been adapted from AKC to better serve the youth of this program.
2. In all classes except Puppy Class, ten points will be deducted in the obedience classes for the following: strong correcting, disciplining, fouling the ring, excessive barking, leaving the ring, rules violation or showing fear.
3. Handlers entered in B classes will be judged at a higher skill level (handler errors) than handlers entered in A classes.
4. Allowed collars in Obedience classes include: Flat or rolled leather with buckle or snap closure, flat or rolled nylon collars with buckle or snap closure, and metal choke chain. No halties, gentle leaders, harnesses, or pinch collars will be allowed in the show ring. Collars and leads must be 2 separate pieces. Slip leads are not allowed.
5. The length of your obedience leash should be six feet for all Beginner Novice classes but may be shorter for all other classes.
6. No dog tags can be on the dog when showing in the ring. This includes name tags, rabies tags, or anything else that hangs from the dog's collar. It is very important that your dog wear tags at all times, except when in the show ring.
7. If an exhibitor has two dogs in the same class, they must choose one dog for sits and downs. The other dog must be handled by a currently enrolled 4-H member enrolled in the dog project for sits and downs.

CLASS 509: PUPPY:

Puppy classes will be for puppies who are not ready for regular obedience classes. The purpose of this class will be to introduce obedience commands to a puppy without the stress of perfection seen in regular obedience classes. This class will introduce the puppy to dog shows in a positive manner, thus setting the puppy up for a lifetime of enjoyment in the show ring.

1. Handlers will be encouraged to use a reward system of food treats or toys in the ring to reward the puppy during and after each exercise. Double commands (or more) will be allowed. This class will be evaluated more on the handler's skill in training a young dog and dealing with the animal's mistakes than on the skill of the animal when performing the exercises. This will be a NO SCORE CLASS. The score sheet will consist of *Excellent, Good, or Needs Improvement* in each of the following areas: Loose Lead Walking; Sit for Exam; Recall; Down Stay, and Serpentine Walking.
2. Loose Lead Walking – This exercise is used to encourage the puppy to feel comfortable and happy on lead while maintaining a distance of no more than two feet from the handler's left side. This does not need to be heel position. Handlers may use bait and toys to keep the puppy in the correct position, and may tell the puppy to sit after a "Halt." Things to be considered in judging include the enjoyment of the puppy, the bond between the puppy and the handler, and the handler's ability to get the puppy's attention back after a distraction.
3. Sit for Exam – In this exercise, the puppy is commanded to a sit position. The judge will approach the puppy and examine it. The judge is required to handle the puppy's ears, mouth, and one front foot during the exam, although petting and scratching are encouraged. The purpose of this exercise is to teach the puppy to accept handling from a friendly stranger.
4. Recall – The handler will command the puppy to stay in a sit position and will step just in front of the puppy with his or her toes no more than six inches from the puppy's front feet. When the judge says "Call your dog," the handler will proceed to walk backward no more than six feet while calling the puppy. The puppy should get up and follow the handler in a happy manner. After the six feet has been reached, the handler will command the puppy to sit.
5. Down Stay – The handler will put the puppy in a down. When the judge says "Leave your puppy," the handler will tell the puppy to stay. The handler will walk to the end of the lead, pause, and then immediately walk behind the puppy and back to the heel position.
6. Serpentine Walking – The puppy and handler will walk on a loose lead through a serpentine positioned in a straight line. The expectations are the same as for Loose Lead Walking, with the addition of the distraction of the three "posts."
7. After one year of showing in the Puppy Obedience Class: If the member was in their 1st year of obedience training, the team moves into Beginner Novice A Obedience, if the member was in their 2nd year or higher of obedience training, the team moves to Beginner Novice C 1st year.

4. Dogs shown as a Veteran are eligible for Champion and Reserve Champion in each class in the Veteran's Division and a Grand and Reserve Grand overall will be awarded to the highest scoring dogs in the Veteran's Division.

OBEDIENCE JUMP INFORMATION

1. There are 3 types of jumps that may be used in Obedience classes: the Bar Jump, the High Jump, and the Broad Jump. The dog must jump their regulation height and width for their class. The Broad Jump will cover a distance equal to twice the standard height of the High or Bar Jump setting. For the Broad Jump, the correct number of boards must be used for the width being jumped. Refer to the chart for proper jump regulations.
 - a. Broad Jump Distances:
 - i. Four boards are used for 48-72 inches
 - ii. Three boards are used for 28-44 inches
 - iii. Two boards are used for 16-24 inches
 - b. When decreasing the number of boards in the Broad Jump, the tallest hurdle is removed first.
2. Breed Exceptions – Jumps: Some breeds, because of their conformation, have exceptions granted for their jump heights. Please check the AKC Website under the Obedience rules for the current chart of exceptions of breeds for these jumps. The website for AKC is: www.akc.org
3. Standard Obedience Jump Heights for the High and Bar Jumps

OBEDIENCE CLASS SCORES
